

During his 16 years at Albany Technical College, President Parker has established the school as a premier institution within the Technical College System of Georgia and as a stable workforce development training facility in Southwest Georgia through his vision of excellence and steadfast commitment to increasing enrollment rates and placing Albany Tech graduates in sustainable employment opportunities. By using his positively transformative vision as a guiding post for success, over the last two decades Albany Tech has propelled forward as one of Southwest Georgia's leading technical institutions.

Dr. Parker has achieved numerous successes in his life, but none of this would have been possible without the grace of God and his loving wife of 38 years and junior high school prom date, Sandra Parker. Dr. and Mrs. Parker are the proud parents of three children—Dr. Kimberly Parker, a professor at Texas Woman's University; Andrea Parker, a Lt. Commander in the United States Coast Guard; and Richard Parker, an employee at the United Parcel Service.

Mr. Speaker, I ask my colleagues to join me today in paying tribute to Dr. Anthony O. Parker for his life of selfless service to the students, institutions of higher learning and working families in the state of Georgia and throughout our United States of America.

#### RECOGNIZING JOSHUA TREE NATIONAL PARK

#### HON. MARY BONO MACK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 29, 2011*

Mrs. BONO MACK. Mr. Speaker, I rise today with my colleague and fellow Californian, Representative JERRY LEWIS, to pay tribute to Joshua Tree National Park.

Joshua Tree National Park has been a special and unique place of recreation and refuge in San Bernardino and Riverside Counties for the last 75 years. The park was first conferred National Monument status on August 10, 1936 by President Franklin Delano Roosevelt. Today, 1.3 million visitors a year from throughout the world enjoy this biologically diverse gem encompassing almost 800,000 acres.

Located just outside some of the most densely populated parts of our Nation, the park provides numerous recreational opportunities for American families and international visitors. Campgrounds, scenic drives, and hundreds of trails comprise just a few of the multitude of ways to enjoy the spectacular desert landscape.

Thriving gateway communities in the Coachella Valley and Morongo Basin have prospered in large part from the tourism opportunities created by the park. It is estimated that as an economic engine the park generates over 32 million private-sector dollars and supports over 500 jobs. The park has also created a shared regional identity and provided a common link of interest. A testament to the devotion and passion instilled in the park's supporters, last year alone 1,059 individuals volunteered at the park donating 35,000 hours of work.

Joshua Tree National Park is a crown jewel of the National Park Service. It deserves all the support it has received to preserve its ecological, historical and cultural integrity. Congratulations to everyone who has supported the park over the years and here's to ensuring the park continues to flourish and improve for another 75 years.
